**Letter From the Executive Director**

WOW! The holidays have arrived, and our building is a breath of fresh air!! Holiday music starts earlier and earlier each year, but now it is in full swing. Several stations play the music non-stop until New Year's Day to really get us all in the spirit.

The stores are decorated to the hilt, and the flyers proliferate with pre-holiday sales to ensure that we spend our money on frivolous gifts. Shopping becomes frantic, and stores stay open 24 hours to allow consumers to overspend and run up those credit cards! One store gives the children a "bar-code gun," and they can run around the store selecting items for parents to purchase. To me, that is missing the true meaning of the holidays! I prefer to focus on the important elements of the holidays in this season: family and friends! May the hoopla that surrounds us take a sabbatical, creating a sense of peace and tranquility in this season of chaos.

Our residents have cherished memories of past holidays, memories of loved ones who have passed, and that children have grown up and are rarely seen. It is a very special time for them to spend time with family and friends to relive time honored traditions.

We look forward to seeing all our residents and their families at our Annual Holiday Party on Thursday, Dec. 18. Santa and the group Night and Day will entertain, accompanied by a delicious light buffet supper. We invite everyone to join us in sharing this memorable evening!

The happiest of holidays!  
Warmest Regards,  
Renee
