Letter From the Executive Director

We can definitely sense the change in the season. There is crispness in the air, and the hue of the changing leaves remind me of the majesty of a king's robe. The fall chrysanthemums heighten the excitement with golds, purples and crimsons peeking out of every corner. Pumpkins have ripened in the farmer's field, begging to be picked and carved into scary jack-o'-lanterns for trick-or-treating!

The first chill in the air always adds bounce to my step and sends my spirit soaring. I must admit that fall is my favorite season. It is the harbinger of all the excitement of the upcoming season!

Fall Fest will be a superb celebration for our residents on Friday, Oct. 17, featuring a traditional fall supper. A strolling accordion player will be serenading our residents with familiar polkas to "liven the spirit" and set their feet tapping. A balloon artist will be creating marvels to delight young and old alike.

We will end the month on a high note with a Halloween Party, complete with a visit from a local nursery school in the morning. The afternoon will commence with a Spooky Party featuring costumed members of staff and residents enjoying the camaraderie of good friends and great treats.

It is with sadness that we bid our chef, Dan Dougherty, a fond farewell. We wish Dan much happiness in this new chapter of his career.

We wish all our residents a pleasant Yom Kippur Celebrate fall at the Landing at Willow Grove!

Sincerely,
Renee
